

# Investing for Success

**Under this agreement for 2018  
Maroochydore State School will receive**

**\$135,000\***

## This funding will be used to

- Ensure all students receive quality teaching in Literacy and Numeracy
- Identify and remediate speech problems for Prep – Year 6 students
- Increase percentage of Prep – Year 2 students achieving school and NCR diagnostic benchmarks in Numeracy by Semester 2
- Increase the percentage of Year 3 and Year 5 students attaining scores in the Upper Two Bands in Writing to be statistically similar to or above the national mean in Writing
- Increase the percentage of Year 3 and Year 5 students in the Upper Two Bands in NAPLAN Numeracy to 40% in Year 3 and 30% in Year 5
- Increase to 100% of all Year 3 and Year 5 students to be at or above the National Minimum Standard for Writing
- Increase the student participation rates in STEM extracurricular activities

## Our initiatives include

- Regularly revisiting student data to support improvement, guide teaching and prompt early intervention
- Employing specialist teacher mentors (Writing and Numeracy) to work with teachers to improve teaching practice and learning activities
- Implementing a targeted programme in number facts for all students
- Providing speech pathology support for targeted learners one day per week
- Improving an extension programme for talented learners
- Upskilling teacher aides across Writing and Numeracy

## Our school will improve student outcomes by

- Building teacher capability in explicit teaching of Writing and Numeracy with the support of teacher mentors **\$73 804**
- Building teacher capacity in the Arts and STEM activities **\$17 188**
- Employing a speech language pathologist to support targeted students with a speech language therapy service one day a week **\$17 880**

- Increasing teacher aide hours for targeted student support across Prep – Year 6

**\$26 128**
