

Investing for Success

**Under this agreement for 2022
Maroochydore State School will receive**

\$111 544*

This funding will be used to

- Support and improve student achievement for curriculum success in Science, Literacy and Numeracy
- Increase the percentage of students from Prep to Year 6 achieving a C or above in Science, Literacy and Numeracy
- Continue the focus on Writing with vocabulary extension across Prep to Year 6
- Enhance the creative opportunities for students to engage in their curriculum activities

Our initiatives include

- Continuing planning and moderation cycles for consistency of curriculum delivery and assessment reflections
- Intentional collaboration across teaching teams to support all staff to deepen their knowledge of inclusion and use focused conversations to cater for the range of learners in their classroom
- Implementing strategies to maximise student attendance through engagement in science and art
- Providing teacher access to additional resources and teaching expertise

Our school will improve student outcomes by

- | | |
|---|----------|
| • Increasing student support service delivery for targeted intervention programs | \$32 308 |
| • Employing specialist staff to engage and enhance the teaching and learning activities | \$66 928 |
| • Intentional collaboration – teacher planning, assessment and moderation cycle | \$12 308 |

TOTAL

\$111 544
